

Check out the school conditions (we have not a lot):

1. Do not distribute educational handouts issued at the school, as many of them were developed by our teachers, and are the intellectual property of the school.
2. Do not be late for lessons, and if you are late, we will not be able to compensate you for the lost time, because according to the schedule, after your lesson, there are most likely other students.
3. The course bill is paid 100% at the beginning of each month.
 - 3.1. If you know what days in this month you will not be able to come, please warn us at the beginning of month, and we will be able to exclude these days from the bill.
 - 3.2. The lessons canceled by the student cannot be refunded, as we save this time just for you and would not take another student at your time.
 - 3.3. If for some reason you need to interrupt your studies (for example due to unforeseen illness etc.), the school will refund you for the lessons you did not complete.
